"We Are Extremely Excited to Announce Our Official 40th Anniversary Re-Opening!
Our goal is and has always been to meet the needs of the community, and by re-opening the only pre-school operating in the bounds of the Lake George School District, we are certainly hoping to meet that need."

Pastor at Caldwell Presbyterian Church ~ Reverend Chad Jones

LAKE GEORGE, NY — Caldwell Presbyterian Pre-School, located at 71 Montcalm Street, an educational fixture within the Lake George School District since 1973, is set for a "Grand Re-Opening" in September 2013.

"It's wonderful that the Pre-school is opening their doors again. Kudos to everyone involved in making this happen. I'm looking forward to collaborating with the school in any way that I can to help ensure the best experience for children."

Principal Jim Conway
Lake George Elementary School

After a brief 18 month hiatus of the school closing its doors in the summer of 2011 due to fiscal concerns, Caldwell Presbyterian Pre-School will be re-opening its doors. A new vision for serving the families of the greater Lake George community with a safe, structured, and loving environment in which to prepare children academically and socially for greater preparedness and success in Kindergarten is being fine-tuned. A dedicated group of former educators and professionals in the Caldwell congregation have been working behind the scenes since the school's closing to ensure a timely and successful re-opening that can be sustainable for the long-term. Registration for children officially began January 1st 2013.

"Many in the community were very disappointed to see the school close its doors, It has been a pillar of this community for as long as most of us can remember. The importance of a strong Pre-School cannot be understated, children attending a Pre-School program in advance of kindergarten show better preparedness, not only for the academic rigor; but with the necessary social conventions as well."

"Over 20 years ago, I worked in Lake George and the peaceful 'Caldwell Presbyterian Church' was a regular view on my afternoon walks. Now years later, to have my logo chosen by the same church that was such an inspiration to me as an artist, has been like visiting an old friend. By combining the steeple, representing God, & stacked text books, I created the look of a solid foundation centered on learning & togetherness. Thanks so much for the chance to re-connect with my old pal. It was an honor."

"The re-opening of the Pre-School is an important asset to the families and educators of Lake George. Congratulations to the dedicated Church members that made this possible."
